INVITATION

It is with immense pride and great pleasure that I welcome you to PEDICON 2027, the 64th Annual Conference of the Indian Academy of Pediatrics, to be held at the CODISSIA Trade Fair Complex, Coimbatore, from 27th to 31st January 2027.

The theme of PEDICON 2027 – "Transforming Young Lives: Digital to Bedside Pediatric Care" reflects our commitment to integrating cutting-edge technology with compassionate, evidence-based pediatric practice. As healthcare continues to evolve in the digital era, our responsibility remains steadfast—to ensure that every innovation ultimately translates into better care and healthier futures for children.

PEDICON 2027 has been meticulously planned to offer an outstanding scientific experience, bringing together distinguished national and international faculty, renowned experts, researchers, academicians, and pediatricians from across the globe. The conference will feature keynote lectures, orations, panel discussions, interactive workshops, hands-on training sessions, debates, case-based learning, and presentations of high-quality research that will enrich clinical practice and inspire innovation.

The conference will provide an exceptional platform for knowledge exchange, interdisciplinary collaboration, and professional networking. Young pediatricians, postgraduate students, and experienced clinicians alike will have opportunities to learn, share experiences, and contribute to shaping the future of pediatric healthcare.

Coimbatore, celebrated for its warm hospitality, excellent connectivity, and vibrant culture, is proud to host the national pediatric fraternity. The world-class CODISSIA Trade Fair Complex offers an ideal venue with modern infrastructure to ensure a memorable and seamless conference experience for every delegate.

Beyond the scientific sessions, I am sure that delegates will experience the warmth of Tamil Nadu's hospitality, the rich cultural heritage of Coimbatore, and the spirit of friendship and fellowship that has always been the hallmark of PEDICON.

PEDICON 2027 would indeed turn out to be celebration of knowledge, collaboration, innovation, and our unwavering commitment to improving the lives of children. I warmly invite you to join us for this landmark gathering and be part of an inspiring journey that will shape the future of pediatric healthcare.

I look forward to welcoming you to Coimbatore, where learning meets innovation, and tradition embraces the future.

Dr. Neelam Mohan
President
INDIAN ACADEMY OF PEDIATRICS

INVITATION

It gives me immense pleasure to extend my warm greetings to all members of the pediatric fraternity as we prepare for PEDICON 2027, the 64th Annual Conference of the Indian Academy of Pediatrics, to be held at the CODISSIA Trade Fair Complex, Coimbatore, Tamil Nadu.

The chosen theme, "Transforming Young Lives: Digital to Bedside Pediatric Care," is both timely and visionary. Pediatric healthcare today stands at a pivotal moment, where rapid digital advancements are reshaping diagnostics, monitoring, education, and delivery of care. At the same time, the essence of pediatrics continues to lie in compassionate, patient-centered bedside care. This conference aptly aims to integrate technological innovation with clinical wisdom, ensuring that digital progress meaningfully improves outcomes for children. PEDICON 2027 is envisioned as a comprehensive academic platform that will bring together leaders, clinicians, researchers, educators, and young pediatricians from across the country and beyond. The scientific program promises depth, diversity, and relevance, addressing contemporary challenges while highlighting future-ready solutions in pediatric practice.

The choice of Coimbatore, a city known for its progressive outlook, academic excellence, and warm hospitality, provides an ideal backdrop for this landmark conference. The state-of-the-art facilities at the CODISSIA Trade Fair Complex will further enhance learning, interaction, and collaboration among delegates.

I commend the Organising Committee for their meticulous planning, academic foresight, and commitment to excellence. I am confident that PEDICON 2027 will not only advance scientific knowledge but also inspire pediatricians to embrace innovation while upholding the core values of empathy and ethical care.

I wish PEDICON 2027 every success and look forward to a truly enriching academic experience that will contribute significantly to transforming young lives.

Dr. M. Singaravelu
President Elect
INDIAN ACADEMY OF PEDIATRICS
Chief Advisor
PEDICON 2027

INVITATION

It is a privilege to convey my warm wishes to the Organising Committee, delegates, and industry partners on the occasion of PEDICON 2027, to be held in the vibrant city of Coimbatore.

Over the years, PEDICON has evolved into one of the most respected academic gatherings of pediatric professionals in the country. As the annual flagship conference of the Indian Academy of Pediatrics, it continues to inspire excellence in pediatric care by fostering scientific learning, innovation, and collaboration among healthcare professionals.

The Trade Exhibition associated with PEDICON 2027 plays a crucial role in bridging the gap between clinical practice and advancements in healthcare technology. It offers an excellent platform for industry partners to showcase innovations, share knowledge, and support pediatricians in delivering better healthcare for children.

I appreciate the tremendous effort and commitment of the Organising Committee in planning this prestigious event and in bringing together academia and industry under one roof. Such collaborative efforts are essential in shaping the future of child health and strengthening pediatric practice across the nation.

I wish the conference and the Trade Exhibition great success and hope that PEDICON 2027 will provide an enriching experience for all participants.

With my best wishes.

Dr. Vasant M. Khalatkar
Immediate Past President
INDIAN ACADEMY OF PEDIATRICS

INVITATION

From the Desk of the Honorary Secretary General Indian Academy of Pediatrics

It is both an honour and a privilege to welcome the IAP fraternity and our esteemed national and international colleagues to PEDICON 2027, the 64th National Conference of the Indian Academy of Pediatrics, to be held from 27th–31st January 2027 at the CODISSIA Trade Fair Complex, Coimbatore, Tamil Nadu.

PEDICON has always been more than an academic conference—it is a celebration of knowledge, innovation, collaboration, and our shared commitment to improving child health. Each year, it brings together pediatricians united by a common purpose: to learn, inspire, and shape the future of pediatric care.

The theme, "Transforming Young Lives: Digital to Bedside Pediatric Care," reflects the exciting transformation of our profession. Artificial intelligence, precision medicine, genomics, telehealth, digital diagnostics, robotics, wearable technologies, and predictive analytics are redefining pediatric practice. Yet, while technology advances the science of medicine, compassion will always remain its foundation.

As the world's second-largest body of pediatricians, the Indian Academy of Pediatrics has the responsibility to lead this transformation through scientific excellence, innovation, ethical practice, education, and advocacy. Guided by our belief that Every Child Matters, we remain committed to ensuring quality healthcare for every child, irrespective of geography or socioeconomic status.

PEDICON 2027 promises an exceptional scientific program featuring distinguished faculty, hands-on workshops, cutting-edge research, engaging debates, and valuable networking opportunities. I encourage every delegate to participate actively, exchange ideas, and carry home knowledge that translates into better outcomes for children.

I extend my heartfelt congratulations to the Organising Committee under the inspiring guidance of Dr. M. Singaravelu, National President, Conference Chairperson & Chief Advisor; the dynamic leadership of Dr. M. Ismail, Chief Organizing Chairperson; the dedicated efforts of Dr. K. Rajendran, Chief Organizing Secretary; and the meticulous stewardship of Dr. B. Lakshmi Shanthi, Treasurer. Their commitment and vision will undoubtedly make PEDICON 2027 a memorable milestone in the history of IAP.

As we gather in Coimbatore, let us reaffirm that every technological advancement must ultimately serve the child at the bedside. May innovation always be guided by compassion, science by ethics, and progress by our unwavering commitment to children.

"Just as the timeless Nilgiris stand as a symbol of resilience, purity, and renewal, may this conference inspire us to embrace innovation with wisdom and strengthen our commitment to creating healthier futures for every child."

Together, let us transform knowledge into healing, innovation into impact, and aspirations into healthier, happier young lives.

With my best wishes for the grand success of PEDICON 2027.

Dr. Ruchira Maheshwari Gupta
Secretary General, 2026 & 2027
INDIAN ACADEMY OF PEDIATRICS

INVITATION

It gives me immense pleasure to extend my warm greetings to all faculty, delegates, and participants attending PEDICON 2027, the 64th Annual National Conference of the Indian Academy of Pediatrics, in the vibrant city of Coimbatore.

PEDICON has always been the flagship academic event of the Indian Academy of Pediatrics, bringing together pediatricians, academicians, researchers, and healthcare professionals from across the country to share knowledge, exchange ideas, and strengthen our collective commitment to child health. The conference serves as an exceptional platform for learning, collaboration, and professional growth while fostering excellence in pediatric practice.

I congratulate the Organising Committee for their vision, dedication, and meticulous planning in hosting this prestigious national conference. I am confident that the thoughtfully curated scientific program, coupled with the warm hospitality of Coimbatore, will provide an enriching and memorable experience for every participant.

May PEDICON 2027 inspire meaningful discussions, encourage innovation, strengthen professional bonds, and reaffirm our shared commitment to improving the health and well-being of every child.

With my best wishes for the grand success of PEDICON 2027.

PEDICON 2027

INVITATION

Warm greetings from the Manchester of South India- Coimbatore. It gives immense pride and pleasure to invite you all to the prestigious 64th annual conference of the Indian Academy of Pediatrics to be held in our city during January,2027.

Having attended many national conferences across the country and basking in the festive-like aura and academics, it is a dream come true moment for all of us here in the organizing desk of Pedicon 2027 to emulate a better experience in our own city.

Coimbatore is a city of hospitality,courtesy and charm that has something for everyone who comes here. We are working hard to curate an enriching academic event combined with the best of culinary delights and cultural heritage so that everyone coming here will go back with fond memories that last a lifetime.

The theme for the conference- “Transforming Young Lives: Digital to Bedside Pediatric Care” envisages our futuristic vision of incorporating both digital advances and clinical acumen while taking care of our little patients.

The venue is CODISSIA Trade Fair Complex which is a convention centre of international standards and well connected to the International airport and the railway station. The recently inaugurated GD Naidu elevated expressway is the longest flyover in Tamilnadu and has significantly eased traffic woes in our city.

The count-down has started and we are eagerly looking forward to welcoming you all for this illustrious event.

PEDICON is the Annual National Conference of the Indian Academy of Pediatrics (IAP)

The 64th Annual National Conference – PEDICON 2027 will be held from 27th to 31st January 2027 at the CODISSIA Trade Fair Complex, Coimbatore, Tamil Nadu. Returning to Tamil Nadu after nearly 25 years and being hosted in Coimbatore for the first time, PEDICON 2027 promises to be one of the largest and most prestigious pediatric conferences in Asia.

The conference is expected to bring together:

- 10,000+ Delegates
- 1,000+ National & International Faculty
- Multiple Parallel Scientific Tracks
- Subspecialty & Super-specialty Scientific Sessions
- Hands-on Workshops & Skill Labs
- Free Paper & e-Poster Presentations
- National Clinical Guideline Discussions
- Indian Academy of Pediatrics (IAP) General Body Meeting

PEDICON 2027 is more than a scientific conference—it is a national platform for academic excellence, innovation, collaboration, and professional development. The conference will foster meaningful exchange of knowledge, showcase the latest advances in pediatric healthcare, encourage research and innovation, and strengthen professional networks among pediatricians from across India and around the world.

With its comprehensive scientific program, distinguished faculty, and vibrant academic environment, PEDICON 2027 will provide an exceptional learning experience while reaffirming the shared commitment to advancing child health and improving pediatric care for future generations.

ABOUT THE VENUE

CODISSIA TRADE FAIR COMPLEX in Coimbatore was established in 1999 by CODISSIA as a purpose-built exhibition venue. Recognised among India's largest modern trade-fair centres and noted in the Limca Book of Records for its pillar-free halls, it is located at G.V. Fair Grounds, Avinashi Road with easy city access.

The complex offers multiple large exhibition halls, flexible spaces for trade fairs, conferences, seminars, product launches, and cultural events, along with strong support infrastructure including parking, food courts, Wi-Fi, power supply, seminar rooms, and expansive outdoor grounds.

It regularly hosts major events such as INTEC, Agri Intex, Build Intec, Elektrotec, Subcon, Edu Intec, the Coimbatore Shopping Festival, and other industry conclaves and public fairs.

Location: Nehru Nagar West, Coimbatore, Tamil Nadu 641014, India.

It is close to the airport area and is one of South India's major exhibition and convention venues.

Purpose: CODISSIA Trade Fair Complex serves as a major venue for MICE (Meetings, Incentives, Conferences, and Exhibitions) activities, hosting trade fairs, industrial exhibitions, conferences, conventions, corporate events, product launches, and cultural programs. It is designed to promote business networking, industry growth, and large-scale public events.

Capacity: Five exhibition halls with a total indoor exhibition area of approximately 17,750 sq. m. across a 160,000 sq. m. campus, along with seminar halls having seating capacities of 100, 200, and 400 people for meetings and conferences.

Facilities: 3,000+ car parking, 5,000+ two-wheeler parking, seminar and conference halls, food courts, Wi-Fi-enabled spaces, power backup, open exhibition areas, modern audio-visual support, and event infrastructure for large-scale exhibitions and conventions.

ABOUT COIMBATORE

Coimbatore- which is a major city in the Indian state of Tamil Nadu and is often called the “Manchester of South India” because of its strong textile and manufacturing industries, is also a major industrial, educational and healthcare hub. It is one of the state's important industrial, educational, and IT hubs, known for engineering, automobile components, textiles, and entrepreneurship. Surrounded by the Western Ghats, the city is also recognized for its pleasant climate, cultural heritage, and attractions such as temples, hills, and nature spots.

Spiritual Sojourns (The Divine Trail)

Coimbatore is a gateway to some of the most powerful spiritual centers in India.
