

64th National Conference of Indian Academy of Pediatrics

PEDICON 2027 COIMBATORE

Theme: Transforming Young Lives: Digital to Bedside Pediatric Care

January 27th - 31st 2027 | Codissia Trade Fair Complex, Coimbatore, Tamil Nadu

ASTHMA TRAINING MODULE

VENUE: : GKNM Hospital

Date- 27th Jan 2027 | Time- 9:00 am to 4:00 pm

HIGHLIGHTS:

- 1. Hands-on skill station**– Live demonstration and supervised practice of MDI with spacer, DPI, nebulizer techniques, and common error correction.
- 2. Stepwise long-term asthma control**– Practical implementation of latest pediatric asthma guidelines including controller therapy, ICS usage, SMART therapy concepts, and follow-up planning.
- 3. Interactive case discussions**– Common clinical dilemmas including recurrent wheeze, difficult asthma, poor adherence, trigger identification, and differentiation from asthma mimics.
- 4. Acute asthma management drills**– Real-time case-based approach to emergency stabilization, severity assessment, oxygen therapy, bronchodilator use, and escalation protocols.
- 5. Take-home tools for daily practice**– Asthma action plans, discharge counseling formats, device selection tips, parent education strategies, and monitoring checklists for outpatient and emergency settings.
